11. ADDITIONAL/OTHER RELEVANT INITIATIVES

#	Branch	Initiative / Activity	Date & Coordinator	Description & Key Outcomes
1	EEE	**INDUSTRIAL VISIT, PABR Hydro Power Plant, 25 II EEE STUDENTS**	**Date:** 11/09/2026 **Coord:** Mr. P. Dhanunjaya, Mrs. Pratyusha	The industrial visit was an informative and enriching learning experience for all participating students. The explanations provided by the plant officials helped students develop a clearer understanding of the practical aspects of power generation and electrical engineering. Observing actual equipment made the concepts studied through textbooks and classroom diagrams easier to understand. **Outcome: The visit to PABR Hydro Power Plant was a valuable educational experience that successfully connected classroom learning with real-world industrial applications. Students gained practical exposure to hydroelectric power generation, turbines, generators, substations, switchgear, control panels, protection systems and auxiliary equipment. The visit strengthened our understanding of Power Systems and Electrical Engineering and encouraged us to explore the practical and professional aspects of the field. "True learning becomes meaningful when theoretical knowledge meets real-world application."** [Proof Link]

12. MINUTES OF THE MEETING (MOM)

#	Branch	Meeting & Venue	Key Decisions & Topics Discussed	Policy Directives & Action Plan
1	MOM	**HoD's Meeting with Principal** **Date:** 16/09/2026 **Time:** 10.15 AM – 12.10 PM **Venue:** Principal Chamber, SSE	**Attendees (8):** Dr. Hemachandra, Dr. S Hari Krishnan, Prof. Nagaraju, Dr. Srinivas Rao, Dr. Anil Kumar Reddy, Dr. Vinod Kumar, Dr. Sambhasivaiah, Mr. Sivaprasad **1. ERP Portal – Leave & Class Substitution:** • All faculty members are instructed to use the ERP Portal properly for applying leave. • Whenever a class is substituted by another faculty member, the concerned substitute faculty must accept the substitution request online through the ERP Portal. • Leave will be considered only after the substitute faculty has accepted the substitution online. • Faculty members applying for leave should ensure that there is no pending substitution acceptance before proceeding on leave.	Mandatory online ERP substitution acceptance before leave approval; strict adherence to 4-stage project review timelines.
		(Cont.)	**2. Assignment – Moodle Portal:** • All faculty members are instructed to assign assignments in the Moodle Portal. • Faculty members should discuss the assignment questions in the respective classes before the Mid-Term Examinations. • All three assignment questions must be discussed with the students. • Out of the three questions discussed, one question will be given in the question paper as Assignment.	
		(Cont.)	**3. IV Year Project Review Schedule:** • The IV Year project reviews are scheduled as follows:	
		(Cont.)	**4. Paper & Patent Publication Targets:** • As discussed in the HODs meeting, all HODs have agreed to and committed to achieving the following targets for research paper and patent publications:	

#	Branch	Meeting & Venue	Key Decisions & Topics Discussed	Policy Directives & Action Plan
		(Cont.)	**5. Teaching & Learning:** • All faculty members are instructed to ensure effective and proper Teaching & Learning practices. • Faculty members should maintain quality in classroom teaching, ensure syllabus progress as per schedule, and actively engage students in the learning process.	
		(Cont.)	**6. ATAL FDP – November 30 to December 5, 2026:** • It is happy to share that the institution has received approval for an ATAL Faculty Development Programme (FDP). • The FDP is scheduled from 30 November to 05 December 2026 in offline mode. • Each department is required to bring 4 participants from other institutions. • Participation from each department is mandatory, and HODs are requested to coordinate accordingly.	
		(Cont.)	**7. Proper Utilization of Laboratory Facilities:** • All laboratory stools and available seating facilities should be properly utilized. • No student should be allowed to sit on the laboratory floor during practical sessions. • Faculty members and laboratory staff are instructed to ensure proper seating arrangements and maintain discipline in the laboratories.	
		(Cont.)	**8. Working Day – 19 September 2026:** • Saturday, 19 September 2026, will be a regular working day for all B.Tech students in view of syllabus completion. • The Monday timetable will be followed on Saturday. • All HODs and faculty members are requested to ensure the regular conduct of classes and maximum student attendance.	
2	**MOM**	**HoD's Meeting with Principal** **Date:** 21 September 2026 **Time:** 3.45 PM – 05.30 PM **Venue:** Principal Chamber, SSE	**Attendees (8):** Dr. Hemachandra, Dr. S Hari Krishnan, Prof. Nagaraju, Dr. Srinivas Rao, Dr. Anil Kumar Reddy, Dr. Vinod Kumar, Dr. Sambhasivaiah, Mr. Sivaprasad **1. Introduction of New Roles and Responsibilities:** • The Principal introduced the faculty members who have been assigned new roles and responsibilities: • Dr. P. Shabana – Head, Teaching & Learning • Mr. B. Venkatesu – Coordinator, Centre for Skill Development • Mr. Adisheshu – NSS Programme Officer and Centre for Sustainability & Community Engagement • Mr. P. Dhanunjaya – Head, Innovation & Entrepreneurship • Ms. G. Ramya Krishna – Head, Student Life & Clubs • The Principal instructed all concerned faculty members to submit their monthly activity reports on or before the 25th of every month without fail.	Mandatory monthly activity report submission on or before the 25th of every month; Letters to parents every month for students with <65% attendance; Strict LOP imposition for unattended classes or leave without approved class adjustment; Mandatory daily FRS attendance compliance.
		(Cont.)	**2. Laboratory Preparation and YouTube Videos:** • As instructed earlier, the concerned laboratory handling faculty members should share the YouTube video links related to the experiments with students before the laboratory session. • Students should watch the videos and come prepared before performing the experiments.	
		(Cont.)	**3. Social Media Updates:** • All HODs are instructed to ensure that photographs and updates of department events and activities are posted on social media platforms and that the official college social media accounts are tagged appropriately.	
		(Cont.)	**4. Environmental Science subject -Activities:** • For the Environmental Science course, suitable activities should be planned and conducted during class hours. • The concerned faculty members should ensure that the assigned activities are completed by the students.	

#	Branch	Meeting & Venue	Key Decisions & Topics Discussed	Policy Directives & Action Plan
		(Cont.)	**5. Fee Due Follow-up:** • The fee due list has been shared with all HODs. • HODs are instructed to follow up with the concerned students and ensure timely fee payment.	
		(Cont.)	**6. Attendance Monitoring and Letters to Parents:** • HODs should closely monitor student attendance. • For students having less than 65% attendance, letters to parents should be prepared and submitted every month without fail. • The concerned Class Advisors should submit the required details/letters to the Examination Cell.	
		(Cont.)	**7. Classes Without Faculty / Leave Adjustment:** • If a scheduled class is left unattended despite the faculty member being present on campus, or if a faculty member proceeds on leave without making the required class adjustment, LOP will be imposed as per the applicable rules. • If a faculty member has already exhausted their CL (Casual Leave), the applicable leave/LOP rules will be followed, including double leave-day LOP and an additional one-day LOP, as applicable.	
		(Cont.)	**8. FRS Attendance:** • All HODs should instruct their respective department faculty members to mark FRS attendance without fail and ensure regular compliance.	
		(Cont.)	**9. Event Planning and Execution:** • All HODs are instructed to submit the list of planned events and initiate the activities immediately. • Departments should plan and conduct relevant events and activities, including programmes in collaboration with organizations such as APSSDC, Edunet, and other appropriate agencies.
